

Hello Pet Parents:

Thank you for choosing Camp Countryside for your doggie daycare needs. Enclosed please find all of the necessary information and paperwork to get your dog enrolled at our facility. Please review the documentation carefully, as we do have very strict requirements for your dog to attend our daycare program. The reason for this is that we are a hospital first and foremost. We strive to ensure the best health and well-being of all pets in our care.

Once the enclosed documents are completed and the requirements have been met, we can then schedule your dog's first day of camp. First days are always a half day (6 hour maximum) and we require drop off as close to 7:00am as possible. This is to ensure that introductions and acclimation to our pack is a smooth and pleasant experience for all of our Campers. We require pick up by 1:00pm on this first day so as not to overwhelm your dog.

We recommend you keep a copy of all of the enclosed paperwork for your records prior to returning it to our facility. Please note that pricing is subject to change without notice and new pricelists are always available at the Camp Office or you can request one via email.

Enclosed you will find the following documentation:

- 🐾 Vaccine and test requirements List
- 🐾 Price List
- 🐾 Annual Daycare Contract
- 🐾 Personality Profile

Camp Calendars are made available for the upcoming month by the 2<sup>nd</sup> Monday of the current month. Reservations cannot be made for the upcoming month prior to that day in order to keep things fair. Reservations are on a first come, first served basis. Purchase of a multi-day package does not guarantee a reservation.

Please contact the office at 978-256-9555 if you have any questions or concerns. You may email the required medical/vaccine and test records from your primary veterinarian, along with the completed paperwork (enclosed) to our hospital at [vet@cvhonline.com](mailto:vet@cvhonline.com), or you can drop them off in person. Once all requirements are met and received, you may call to schedule your dog's first day of camp if our staff has not already reached out to you.

We look forward to meeting your furry friend and making them a part of our Camp Countryside Family!!

Thank you,

Camp Countryside Staff

Thank you for taking the time to give our staff some insight about your dog's personality. This information is helpful to our staff to determine which group will be a better fit for your dog's comfort and energy level. Please note that your answers do not necessarily determine whether or not your dog is a good fit for Camp Countryside. We will make assessments based on your dog's behavior upon their first day and thereafter during their time here.
